Deadhead OG Pre-Rolls are a Sativa-Dominant Hybrid created by crossing Chemdawg 91 and SFV OG Kush.

This potent craft cultivar tastes hearty with notes of pine and earth.

Deadhead OG is popular for its high potency and reliability to produce a long-lasting body high. The effects are cerebral, physically stimulating and mentally relaxing.

EastCann flower is produced by 100% craft practices: Hang-dried, Hand-Trimmed, Slow-Cured, and Hand-Weighed / Hand-Packaged.

EastCann dried flower is packaged in **nitrogen-purged**, **food-grade recyclable cans**. This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
