Zurple Sunset is a Sativa-Dominant Hybrid created through crossing the potent Zurple X Citradelic Sunset strains.

This high THC craft cultivar is sweet and floral with hints of black licorice.

EastCann flower is produced by 100% craft practices: Hang-dried, Hand-Trimmed, Slow-Cured, and Hand-Weighed / Hand-Packaged.

EastCann dried flower is packaged in **nitrogen-purged, food-grade recyclable cans**. This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
