EastCann Blue Skies is a high THC Sativa Dominant Hybrid of G13 X Chemdawg

This beautiful, dense, light green coloured buds with heavy trichome coverage. The nose is predominately sour and citrus, with subtle floral undertones

The inhale is both sweet and bright. Smoke is smooth and flavourful. The floral undertones, combined with the citrus and sour, give it a taste that you appreciate on inhale and exhale.

Produced by 100% craft practices: Hang-dried, Hand-Trimmed, Slow-Cured, and Hand-Weighed / Hand-Packaged.

EastCann Blue Skies dried flower is packaged in nitrogen-purged, food-grade 100% recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
