Monkey Business is high THC Indica-Dominant Hybrid cross of Grease Monkey X Red Pop.

This unique craft cultivar was bred and organically grown in live soil by *Kootenay's Finest* – a premium micro cultivator located in British Columbia.

This frosty organic craft flower displays a sweet, gassy and citrus profile – thanks to the significant amount of limonene and overall high terpene %.

Monkey Business flower is produced by 100% craft practices: Hang-dried, Hand-Trimmed, Slow-Cured, and Hand-Weighed / Hand-Packaged.

EastCann Monkey Business dried flower is packaged in nitrogen-purged, food-grade 100% recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
