## EastCann Organic Crunch Berry Kush is a high THC Indica-Dominant Hybrid of Blueberry X Triple OG

The nose on this cultivar is a scintillating tangy/sour affair infused with touches of vanilla, fresh hazelnuts and pine. The flavour is a remarkable fruity bouquet that leaves a pleasant after-taste reminiscent of your favourite childhood cereal

EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
