EastCann Tiger Cake is a high THC Indica Dominant cross of Layer Cake x The Menthol

This potent premium craft flower has a gassy aroma with a creamy vanilla taste that will tickle your senses. Tiger Cake buds are dense, combining a dark green with lighter green hues and beautiful frosty trichomes.

EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
