A potent Indica-Dominant Hybrid of Apples and Bananas X Animal Z

Apples and Bananas X Animal Z is an Indica dominant hybrid breed in-house at EastCann crossing these All Star parents. Apples and Bananas X Animal Z delivers a full flavor profile of sweet sugary bananas and citrus flavors with a hint of black pepper. This bud has grape-shape fluffy forest green nugs with deep purple leaves, matching undertones and thin orange hairs.

EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
