EASTCANN

- CRAFT LP -

EastCann Gogurtz is a high THC Indica leaning 50/50% hybrid, bred from famous parents Cap Junky and Runtz

Buds are dense and full of trichomes, delivering a gassy profile, with the candy like flavors to be expected from their exceptional lineage.

EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.

Legacy Matters.
