EASTCANN

- CRAFT LP -

EastCann Jealousy is a high THC balanced hybrid of Sherbet BX1 x Gelato #41

This bud has a super sweet and creamy fruity candy flavor with a sour citrusy overtone. Jealousy buds have small spade-shaped olive green nugs with purple undertones, thin orange hairs and a coating of tiny and purple-tinted white crystal trichomes

EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.

Legacy Matters.
