## Zurple Sunset is a sativa dominant hybrid.

Zurple Sunset is a sativa dominant hybrid. Bursting with complex flavours, Zurple Sunset delivers a sweet taste and aroma. This high THC flower is grown in living soil by selected legacy growers using small batch craft practices. Zurple Sunset flower is packaged in a can using a purge of liquid nitrogen and a hermetic seal to maintain freshness. All EastCann flower is grown using craft practices.

**EastCann dried flower is packaged in nitrogen-purged, food-grade recyclable cans.**

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
