EastCann Pre-Roll Variety Pack featuring Black Dolato, Mango Sour & Banana Mints Pre-Rolls

The EastCann pre-rolls variety pack includes one indica of Banana Mints with a sativa Mango Sour, and an indica leaning Black Dolato. The multi pack delivers Black Dolato to Ontario for the first time alongside two of EastCann's most popular offerings. Grown in living soil and prepared in-house at our EastCann facility.

EastCann Pre-Roll Variety Pack is packaged in nitrogen-purged, food-grade recyclable cans.

This type of packaging utilizes a purge of liquid nitrogen and hermetic seal to maintain freshness and preserve the dried flower quality and terpene profile.
